ROTARY SERVICE

1. GENERAL

Rotary service consists of a group of two or more telephone numbers with incoming calls being completed over the first non-busy circuit of the group. The first number of the group is the only number listed in the Company's directory. C

2. SERVICE AND EQUIPMENT

A. Rotary service numbers are available with individual and trunk line service only and will be assigned where facilities are available.

B. Should a customer reduce existing rotary service to one line, the rotary service rate applies for one line until the customer's circuit is changed to non-rotary service coincident with the effective date of the next directory.

C. Multiline Service trunk lines are assigned with rotary service numbers at no additional charge.

3. RATES AND CHARGES

The following premium rate for rotary service is in addition to the residence rate as specified in Item 475 of the Company's General Tariff: C
