Item  
456.

MULTILINE BUSINESS SERVICE

1. GENERAL

A. Multiline Service provides for connecting a Business Communication System (BCS) or similar service with a Central Office. In addition, Multiline Service includes individual lines provided on a rotary or similar basis. **C**

2. RATES

A. Multiline service is provided on a monthly basis, or under the terms of an extended term contract in certain areas. Rates for Multiline Business Service are stated in Item 475. The rates are given on a per line basis and apply to all of the lines provided.
