BCE ***MTS***

Safe harbour notice

Certain statements made in this presentation are forward-looking statements. These statements include, without limitation, statements relating to the proposed acquisition by BCE of all of the issued and outstanding common shares of Manitoba Telecom Services Inc. (“MTS”) (the “MTS Transaction”), and the proposed subsequent disposition to Telus Corporation (“Telus”) of a portion of MTS’ wireless postpaid customers and proposed assumption by Telus of a portion of MTS’ dealer locations, the expected timing and impact of such transactions, the expected sources of funding of the MTS Transaction, certain strategic, operational and financial benefits expected to result from the MTS Transaction, our network deployment and capital investment plans, BCE’s dividend growth strategy, the expected return, and timing thereof, of BCE’s leverage ratio within policy range, our business outlook, objectives, plans and strategic priorities, and other statements that are not historical facts. All such forward-looking statements are made pursuant to the safe harbour provisions of applicable Canadian securities laws and of the United States *Private Securities Litigation Reform Act of 1995*.

Forward-looking statements, by their very nature, are subject to inherent risks and uncertainties and are based on several assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from our expectations expressed in or implied by such forward-looking statements. As a result, we cannot guarantee that any forward-looking statement will materialize and we caution you against relying on any of these forward-looking statements. For a description of relevant assumptions and risks, please consult BCE’s 2015 Annual MD&A dated March 3, 2016, as updated in BCE’s 2016 First Quarter MD&A dated April 27, 2016, and BCE’s news releases dated April 28, 2016 and May 2, 2016 announcing, respectively, its financial results for the first quarter of 2016 and the above-mentioned proposed transactions, all filed with the Canadian provincial securities regulatory authorities (available at sedar.com) and with the U.S. Securities and Exchange Commission (available at sec.gov), and which are also available on BCE’s website at BCE.ca.

The forward-looking statements contained in this presentation describe our expectations at May 2, 2016 and, accordingly, are subject to change after such date. Except as may be required by Canadian securities laws, we do not undertake any obligation to update or revise any forward-looking statements contained in this presentation, whether as a result of new information, future events or otherwise.

Acquiring one of Canada's leading communications providers

Strategic rationale

Accelerate Wireless

- Bell becomes #1 wireless provider in Manitoba with addition of MTS subscribers
- On a pro forma basis, Bell is the wireless EBITDA leader in Canada⁽¹⁾

Invest in Broadband Networks and Services

- Increases Bell's IPTV footprint by ~350k homes
- MTS delivers high-speed Internet and IPTV to ~70% of homes in Manitoba (~90% of these homes with speeds up to 50 Mbps)

Leverage Wireline Momentum

- Increases Bell's Internet subscriber base by 6.6% or 224k; increases Bell's IPTV subscriber base by 8.6% or 106k
- Enhances ability to compete with the cable operators in Manitoba
- Improves Bell's business markets positioning by expanding local fibre footprint to cover Manitoba and moves national off-net traffic on-net
- MTS wireline EBITDA margin of ~40% similar to Bell's

Expand Media Leadership

- Improves competitive position of Bell Media's TV and SVOD properties

Achieve a Competitive Cost Structure

- ~\$50M in pre-tax annualized operating cost synergies
- Ability to reinvest cost synergies into broadband networks
- Sizeable value of tax assets to BCE of ~\$300M

Acquisition of MTS furthers Bell's strategic imperatives

⁽¹⁾ Based on Q1'16 results

Building on MTS's strong legacy in Manitoba

- **Commitment to invest \$1B in Manitoba over 5 years to expand and enhance broadband infrastructure**
 - Gigabit Fibe Internet launch within 12 months (20x faster than average speeds for MTS customers today)
 - Customer access to Fibe TV, North America's most innovative TV platform
 - Expansion of wireless 4G LTE network coverage with doubling of mobile download data speeds
- **Winnipeg to become Bell's Western Canada headquarters for ~6,900 employees**
- **In recognition of MTS strong brand presence, services to be branded Bell MTS**
- **Maintain longstanding commitment to local communities**
 - Ongoing support for United Way
 - New Bell Let's Talk initiative focused on mental health support for aboriginal communities
 - Arena naming rights and other local sponsorships maintained or extended
 - Increased focus and exposure for local media and entertainment assets, including the Winnipeg Jets
 - BCE's strong balance sheet will support the long-term funding of the MTS pension plan

BCE committed to maintaining a strong local presence and significant investment in Manitoba

Significant value for MTS shareholders

- **Transaction creates meaningful and immediate value**

- \$40 offer price represents a 23.2% premium to MTS' weighted-average closing share price on the TSX for the 20-day period ending April 29, 2016
- 40% premium to MTS's closing price of \$28.59 on November 20, 2015 (business day prior to announcement of the sale of Allstream)
- Attractive valuation multiple of ~10.1x 2016E EBITDA⁽¹⁾

- **Unanimously approved by MTS Board of Directors**

- Fairness opinion obtained from TD Securities, Barclays Capital and CIBC World Markets that consideration to be received under the offer is fair from a financial point of view to MTS shareholders

- **Tax-free roll-over election for taxable Canadian resident MTS shareholders**

- **Enhances long-term value potential through opportunity to acquire ownership in BCE**

- Enables participation in growth potential of a company with a strong mix of growth assets
- BCE has one of the highest dividend yields of any TSX-listed company with a proven track record of dividend growth
- Attractive investment-grade credit profile underpinned by a healthy balance sheet

- **Advantages to Manitoba are clear and compelling**

- Winnipeg to become Western Canadian headquarters for combined operations
- Over \$1B in infrastructure investment over the next 5 years
- New and continued commitment to community initiatives, such as naming rights for the home of the Winnipeg Jets and launch of Bell Let's Talk in Manitoba

Transaction allows MTS shareholders to crystalize the inherent value of their holdings and to participate in BCE's growth
