43 COMPENSATION PER CALL1. GENERAL

- A. "Compensation per call" refers to the application of an access charge for each toll-free call from MTS Inc.'s public or semi-public telephones (pay telephones) to an Interexchange Carrier's (IXC's) toll-free dialing sequence.

2. SERVICES AND EQUIPMENT

- A. The compensation per call charge applies to the IXC, for each completed toll-free call that originates from an MTS Inc. pay telephone and is carried by the IXC, except in limited situations where the toll-free call cannot be captured due to technical limitations.
- B. Additional toll-free calls initiated through the use of the "next call" key on the pay telephone are also subject to the compensation per call charge. However, additional toll-free calls attained through the use of dialing sequences on the IXC's platform are not subject to the compensation per call charge.
- C. Toll-free calls are considered completed when the call is answered.
- D. Each month, MTS Inc. will send the IXC a composite electronic list of the toll-free numbers that originated at MTS Inc.'s pay telephones and were carried by the IXC. The list will include the toll-free numbers that were called and the number of times they were called in the previous billing period.
- E. Call detail recording is not provided.
