TELECOMMUNICATION AND BUILDING ACCESS LICENSE -NEW BUILDINGS - **ABRIDGED**

This License is made as of the 24th day of August, 2004 (the "Effective Date"),

In consideration of the mutual rights and obligations herein expressed and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and (the "Owner") agree as follows:

1. Owner hereby grants to Bell Canada and the affiliates of BCE Inc. (as defined in the *Canada Business Corporations Act*, as amended) (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to (i) enter on and gain access in, over or under the multi-unit dwelling building to be constructed by the Owner as described in Schedule "A" (the "Building") and the common elements and other common areas of the Building, (ii) use in-building wire or cabling owned or controlled by Bell, the Owner or any third party, and (iii) make available and provide telecommunications and other communication services (collectively the "Bell Services") to local exchange carriers, prospective purchasers and the owners, tenants, invitees or residents of the Building (the "Occupant(s)"). Nothing in this License shall be construed or interpreted as granting Bell any exclusive rights or privileges in or to the Building, relating to access or installation rights, to the exclusion of any other third parties.
2. The right and license in Section 1 includes Bell's right to construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace its Equipment (as defined below) in the Building. "Equipment" includes but is not limited to any Bell equipment, in-building wire (as defined by the CRTC in Decision 99-10), infrastructure or otherwise, which is necessary and incidental to enable and deliver Bell Services to Occupants. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new or different equipment to provision the Bell Services. Equipment excludes: conduit, individual receiver-decoders, whether VDSL or otherwise, or any other equipment that can be individually either electronically or manually by Bell (each an "IRD"), which will be sold or rented to Occupants by Bell or any other authorized sales agent. Owner shall allow Bell to gain access to the Building for the purpose of picking up any IRD no longer required by an Occupant Bell agrees to perform installations of any cable and/or wire in the Building as further described in Schedule "B".
3. Bell and those for whom it is responsible for in law shall be permitted to use and access all portions of the Building necessary for the provision of Bell Services and for the matters as provided in Section 1 in accordance with the Declaration, By-Laws and Rules of the 0Y111er. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal business hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this License.
4. The term of this License is effective as of the date last signed by both parties below and shall continue to run for a period often (10) years from the Effective date (the "Term"). Subject to the provisions of the *Condominium Act*, 1998, where title to the Building transfers to a condominium corporation (the "Corporation") prior to the expiry of the Term, the Corporation shall, upon acceptance of title to the Building, assume and be bound by all the rights and obligations of the Owner as set out herein
5. Bell shall, at its own cost (i) ensure that all Equipment is installed in accordance with all relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Equipment installed by Bell during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) relating to post-installation activities specific to such Occupant's in-suite requirements. Except as otherwise provided in Section 22 of the *Condominium Act*, 1998, the Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or suitable ownership interest in the Equipment nor any of the items reasonably contemplated by Section 2 above and shall not make any claim to the contrary.
6. Owner agrees to provide to Bell, at no charge to Bell, access to and use of, one or more rooms or other segregated, enclosed spaces in the Building (the "Equipment Space(s)"), as needed and mutually agreed upon by the parties, acting in good faith, which is suitable to house or store the Equipment. Owner agrees that the access rights herein included a right to access the Equipment Space in the Building. The Equipment Space shall have adequate power supply and adequate natural or artificial ventilation for the proper operation of the Equipment Nothing in this License limits the Owner's right to repair any common elements of the Building; provided that where any such repair may affect Bell's Equipment, the Owner shall: (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move its Equipment before the repairs are made; and (ii) reimburse Bell for all reasonable costs Bell incurs as a result of any material relocation or adjustment.
7. Each party represents and warrants that (1) it has full right, power and authority to enter into and perform its covenants and obligations in this License; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this License; and (4) no condominium rule or by-law is in force that would prevent or limit Bell from entering into this License. Bell further covenants to repair, at its sole expense, any damage to the Building or the Equipment Space where the damage is caused by Bell and those for whom it is responsible in law.
8. Despite anything contained herein to the contrary, Bell Canada will be liable for and will indemnify and save harmless the Owner, its directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnities"), from and against any and all losses, grs, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out of any negligent act or omission relating to Bell Canada's use and occupation of the Equipment Space or the Building, provided that Bell Canada will not be required to indemnify the owner Indemnities to the extent any such Losses are caused by any negligent or willful act or omission of any of the Owner Indemnities. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnities from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages. This Section shall survive the expiration or termination of this License.

9. Unless a Party provides the other party hereto with written notice of its intention not to renew this License at least one hundred and eighty (180) days prior to the expiration of the Term or Renewal Term (as defined below), this License shall automatically renew for successive one (1) year renewal terms (the "Renewal Term") on the terms and conditions herein. Either Party may terminate this License: i) for a material breach hereof, where such breach is not cured within thirty (30) days of receipt of written notice by the other party of such breach, or ii) immediately, in the event of bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. Upon expiry or termination of this License, Bell shall be allowed thirty (30) days to remove the Equipment

10. This License is subject to all applicable federal, provincial and local laws, and regulations, ruling and orders of governmental agencies, including, but not limited to, the *Telecommunications Act*, the *Broadcasting Act*, as amended or the Canadian Radio-Television and Telecommunications Commission (the "CRTC"). If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this License or impairs Bell's ability to provide Bell's Services in a economical and technically practical fashion, Bell may terminate this License upon thirty (30) days' written notice to owner.

11. Any notice required or permitted to be given hereunder or any tender of delivery of documents may be sufficiently given by regular mail personal delivery or by facsimile transmission to each party at the addresses listed below:

Notices shall be deemed to have been received by the Owner or Bell, as the case may be, on (i) the fifth (5) business day after the date on which it shall have been so mailed, (ii) at the time of delivery in the case of hand delivery, (iii) the date and time of transmission in the case of facsimile, provided that such transmission was made during normal business hours, with receipts or other verifications of such transmission.

12. Where a provision of this License conflicts with a Schedule attached hereto, the provision of this License shall prevail. This License and Schedules will be governed by the laws of the Province of Ontario and the applicable laws of Canada therein, excluding any conflict of laws rule or principle which might refer such construction to the law's of another jurisdiction. Except as provided for Section 4 above, none of the rights and obligations contained herein may be assigned or transferred by Owner, without the prior written consent of Bell.

13. This License constitutes the entire agreement of the parties and supersedes all prior agreements and understandings on the subject matter hereof Except as provided in Section 7, neither party makes any representation or warranty express or implied, statutory or otherwise to the other. If any provision of this License is found to be invalid, illegal or unenforceable, the other provisions of this License shall not be affected or impaired, and the offending provision shall automatically be modified to the least extent necessary in order to be valid, legal and enforceable.

14. To the extent applicable, Owner agrees to grant to Bell a non-exclusive easement and statutory right of way and/or a path to the property line from the Building, as the case may be and in or through the Equipment Space if it is determined that a fibre optic cable or such other Equipment must be installed to the Building and/or in the Equipment Space. Owner and Bell shall in advance, agree upon a suitable location to install the fibre optic cable on the property of the Owner. Owner agrees to allow Bell to register, at Bell's expense, the easement and right of way, and/or notice of this license.

In witness thereof the parties through their duly authorized representatives have executed this License as of the date first written above.

ADDENDUM TO THE TELECOMMUNICATION ACCESS AND BUILDING LICENSE – EXISTING BUILDINGS

This Addendum is made as of the 24th day of August, 2004 (the "Addendum Date") and hereby incorporates by reference the terms and conditions of the Telecommunication Access and Building License -Existing Buildings between Bell Canada and MTCC 1010 dated August 24, 2004 (the "License"). In the event of any inconsistency between the terms of this Addendum and the License, the terms of the License shall prevail. Unless otherwise defined herein, all capitalized terms used herein shall have the meanings attributed to them in the License. All other terms and conditions of the License shall continue in full force and effect.

This Addendum confirms the terms and conditions whereby the Owner agrees to grant Bell Canada a right and license to either (**please Check One Below**):

- A. enter the Building to install closed-circuit security television cameras and/or other video equipment (e.g., amplifiers, splitters) as further described in the attached Schedule "A" (collectively, the "CCTV"), and to use the signal feed from the CCTV's for the purpose of injecting same into Bell Canada's package of Services offered to Occupants.

For the purposes of this Section A, the parties agree as follows:

(a) Bell Canada shall provision and install the CCTV as described in Schedule "A" attached hereto;

(b) On or after installation of the CCTV and for good and valuable consideration, the receipt of which is hereby acknowledged, all rights, title and interest to the CCTV shall automatically transfer from Bell Canada to the Owner and Owner hereby accepts such title along with the sole responsibility for all matters relating to the operation of the CCTV including, but not limited to its operation, maintenance, repair or replacement;

(c) the Owner (i) acknowledges that Bell Canada will install the CCTV in a good and worker-like manner in accordance with industry standards, however Bell Canada makes no representation or warranty in connection with the installation of the CCTV or its quality, use, content or the quality of the signal feed, and (ii) agrees that Bell Canada shall not be responsible or liable in any way for any matter arising in connection with CCTV on or after the date of its installation; and

(d) the Owner represents and warrants to Bell Canada that it: (i) has the right to grant to Bell Canada access to any signal feed coming from the CCTV as contemplated by this Addendum;

OR

B. X to enter the Building to access the CCTV and to use the signal feed from such CCTV's for the purpose of injecting them into Bell Canada's package of Services offered to Occupants.

For the purposes of this Section B, the parties agree as follows:

(a) the Owner represents and warrants to Bell Canada that it: (i) owns and/or lawfully controls the use and operation of the CCTV's, and (ii) has the right to grant to Bell Canada access to the CCTV's and any signal feed coming from the CCTV as contemplated by this letter;

(b) the Owner hereby agrees to provide Bell Canada with a standard interface to the CCTV. "**Standard Interface**" means an interface where Bell Canada has the ability to interconnect into the CCTV using NTSC base band video at a 1 v peak-to-peak measured across a 75 ohm termination. Bell will interface with the CCTV at a demarcation point mutually agreed to using RG6 coaxial cable and BNC connectors; and

(c) Bell Canada makes no representation or warranty in connection with its access to the CCTV or use, content or quality of the signal feed;

Agreed by the duly authorized representatives of the parties below,
