(the “Series AM Preferred Shares”). In order to convert their shares, holders must exercise their right of conversion during the conversion period, which runs from March 2, 2026 until 5:00 p.m. (Montréal/Toronto time) on March 16, 2026.
2. Holders not wishing to convert or who do not comply with the instructions set out in paragraph 3 below by the appropriate deadline will, subject to paragraph 6 below, retain their Series AN Preferred Shares and, accordingly, will continue to receive a floating quarterly dividend as described in paragraph 4 below. Beneficial holders who wish to exercise their conversion right should communicate with their broker or other nominee to obtain instructions for exercising such right during the conversion period.

4. As of March 31, 2026, the Series AN Preferred Shares will, should they remain outstanding, continue to pay, for each quarterly period, as and when declared by the Board of Directors of BCE Inc., a quarterly floating dividend rate equal to the “Floating Quarterly Dividend Rate” for such quarterly period. The “Floating Quarterly Dividend Rate” for any such quarterly period shall be equal to the rate, expressed as a percentage, equal to the sum of: (a) the “T-Bill Rate”, calculated in accordance with the articles of BCE Inc. on the 30<sup>th</sup> day prior to the first day of the new quarterly period, and (b) 2.09%, calculated on the basis of the actual number of days in such quarterly period divided by 365. The “T-Bill Rate” means, for any quarterly period, the average yield expressed as a percentage per annum on three-month Government of Canada Treasury Bills, as reported by the Bank of Canada, for the most recent treasury bills auction preceding the applicable calculation date. The “Floating Quarterly Dividend Rate” computed on March 2, 2026 and applicable to the Series AN Preferred Shares for the quarterly period from and including March 31, 2026 to but excluding June 30, 2026 will be 1.06732% (annual rate of 4.281%, based on a T-Bill Rate of 2.191%).
5. As of March 31, 2026, the Series AM Preferred Shares will, should they remain outstanding, pay, on a quarterly basis, as and when declared by the Board of Directors of BCE Inc., a fixed cash dividend for the following five years that will be based on a fixed rate equal to the sum of: (a) the yield to maturity compounded semi-annually (the “Government of Canada Yield”), computed on March 2, 2026 in accordance with the articles of BCE Inc., of a Canadian dollar denominated non-callable

Government of Canada bond with a term to maturity of five years, and (b) 2.09%. The “Government of Canada Yield” computed on March 2, 2026 is 2.747%. Accordingly, the annual fixed dividend rate applicable to the Series AM Preferred Shares for the period of five years beginning on March 31, 2026 will be 4.837%.

6. After the end of the conversion period on March 16, 2026, if BCE Inc. determines that there would be less than 1,000,000 Series AN Preferred Shares outstanding after the conversion date (March 31, 2026), BCE Inc. will automatically convert all remaining Series AN Preferred Shares into Series AM Preferred Shares. However, if BCE Inc. determines that there would be less than 1,000,000 Series AM Preferred Shares outstanding after the conversion date, then no Series AN Preferred Shares will be converted into Series AM Preferred Shares.
7. For any questions about the steps to be followed, please contact TSX Trust Company at 1-800-561-0934, the transfer agent and registrar for BCE Inc.’s preferred shares.

DATED in Montréal, this 2<sup>nd</sup> day of March, 2026.
