BCE Inc.

BCE Inc. ("BCE") was incorporated in 1970 and continued under the Canada Business Corporations Act ("CBCA") in 1979. BCE has its principal and registered offices at 1000, rue de La Gauchetière Ouest, bureau 3700, Montréal (Québec) H3B 4Y7.

BCE is Canada's largest telecommunications company. BCE had, on a consolidated basis, revenues of \$28.2 billion, net earnings of \$1.2 billion and operating cash flow (net cash provided by operations before changes in working capital and after payment of preferred dividends) of \$4.7 billion in 1996, and had total assets of \$41.3 billion and approximately 121,000 employees at December 31, 1996.

BCE operates in the following business segments: Canadian Telecommunications, Northern Telecom, International Telecommunications, Directories and Corporate. The Canadian Telecommunications group provides a full range of telecommunications services through Canadian-based subsidiary and associated companies operating: traditional wireline telephone networks; cellular and other wireless communications networks; satellite networks; and international gateway networks. Northern Telecom Limited ("Nortel") is a leading global supplier of telecommunications equipment products, which business consists of the research and the design, development, manufacture, marketing, sale, financing, installation, servicing and support of switching networks, enterprise networks, wireless networks, broadband networks and other products and services. The International Telecommunications group includes Bell Canada International Inc., which supplies telecommunication services in Latin America and Asia, and other telecommunication interests in the United Kingdom and the United States. The Directories group publishes telephone and other directories in Canada and internationally. Corporate activities are carried out by BCE. BCE is a strategic management company whose major activities include strategy development, human resource management, capital allocation, goal setting and performance monitoring.

BCE has the largest number of registered shareholders of any Canadian corporation. At December 31, 1996, there were approximately 206,000 registered holders of common shares, of whom about 97% were registered as resident in Canada and held approximately 84% of the common shares outstanding. Approximately 74% of outstanding common shares are held on behalf of unregistered shareholders by the major depositories for securities, resulting in a continuing decline in the number of registered shareholders.

RECENT DEVELOPMENTS

Regulatory Developments

The Canadian Radio-television and Telecommunications Commission ("CRTC") has determined to fundamentally restructure the manner in which it regulates the telephone companies under its jurisdiction, including Bell Canada. On May 1, 1997, the CRTC released several important decisions which set out the rules for the evolution to total competition and price cap regulation. The CRTC has also decided that rate of return regulation for utility services will be replaced by a "price caps" regulatory regime, beginning January 1, 1998. These decisions deal with a number of complex issues and their impact will depend, in part, on the outcome of further regulatory proceedings, including the setting of rates by the CRTC expected prior to December 31, 1997.

The annual consolidated financial statements contained in BCE's 1996 Annual Report describe BCE's accounting policies. As set out therein, most of BCE's telecommunications subsidiary and associated companies are subject to regulation, including examination of their accounting practices, by the CRTC. The application of regulatory accounting provisions assumes that rates, which are set by the CRTC based on costs, are adequate to recover these costs over time, and can be charged to and collected from customers.

The introduction of price cap regulation in 1998 and local service competition beyond 1997 may not ensure cost recovery and accordingly, BCE and its regulated telecommunications subsidiary and associated companies are reviewing the appropriateness of continued application of regulatory accounting provisions. This review entails an assessment of the appropriate carrying value of regulatory assets and liabilities and capital assets and related depreciation and amortization methods. A transition from regulatory accounting provisions to generally accepted accounting principles ("GAAP") would require significant changes to the carrying values of assets and liabilities and would require, among other things, immediate charges against earnings for those assets and liabilities, such as business transformation costs, that have been deferred under regulatory accounting provisions. In addition, the capital assets would be subject to realizable value tests and accordingly revalued on this basis. Such revaluation, if necessary, would also be charged against earnings in the period with respect to which final determinations are completed. Also, in conjunction with a transition from regulatory accounting provisions to

GAAP, intercompany earnings on sales from Northern Telecom Limited to the regulated subsidiary and associated companies of BCE would be eliminated on consolidation.

Medium Term Notes

On November 5, 1997, BCE filed a short form shelf prospectus and a related prospectus supplement with the various securities regulatory authorities in all the provinces of Canada enabling it to issue up to \$1,000,000,000 of medium term notes from time to time during the two year period commencing with the date of the issuance of the receipt for the short form shelf prospectus. The net proceeds from the sale of these medium term notes will be used for the general corporate purposes of BCE.

USE OF PROCEEDS

The net proceeds from the sale of the Series Y Preferred Shares, estimated at \$242,250,000 after deducting expenses of issue estimated at \$250,000, will be used for the general corporate purposes of BCE.

EARNINGS AND ASSET COVERAGES

The following consolidated financial ratios are calculated as at, or for the twelve months ended, December 31, 1996 and September 30, 1997, and give effect to this issue and the issuance of all long-term debt and preferred shares of BCE and its principal subsidiaries and repayment or redemption thereof since those dates.

	Twelve months ended			
	December 31, 1996 ⁽¹⁾		September 30, 1997 ⁽¹⁾⁽²⁾	
	Preferred Shares	Long-Term Debt and Preferred Shares	Preferred Shares	Long-Term Debt and Preferred Shares

After deduction of deferred income taxes	7.6 times	1.8 times	7.5 times	1.8 times

⁽¹⁾ Reference is made, in the Recent Developments section, to the possibility of changes in accounting practices resulting in significant changes to the carrying values of assets and liabilities established under existing regulatory practices. The advent of such changes would negatively affect the above ratios to an undetermined, but significant, extent.

PLAN OF DISTRIBUTION

Under an agreement dated December 3, 1997 (the "Underwriting Agreement") between BCE and ScotiaMcLeod Inc., RBC Dominion Securities Inc., Nesbitt Burns Inc., CIBC Wood Gundy Securities Inc., TD Securities Inc., Midland Walwyn Capital Inc., Lévesque Beaubien Geoffrion Inc. and First Marathon Securities Limited, as underwriters (the "Underwriters"), BCE has agreed to sell and the Underwriters have agreed to purchase on December 18, 1997, or on such later date as may be agreed upon, but in any event not later than January 20, 1998, all but not less than all of the Series Y Preferred Shares at a price of \$25.00 per share, payable in cash to BCE against delivery of the Series Y Preferred Shares, and BCE has agreed to pay the Underwriters a fee equal to \$0.25 per Series Y Preferred Share sold to certain institutions and \$0.75 per share for all other Series Y Preferred Shares purchased by the Underwriters. All fees payable to the Underwriters will be paid on account of services rendered in connection with the offering and will be paid out of the general funds of BCE.

The obligations of the Underwriters under the Underwriting Agreement may be terminated at their discretion on the basis of their assessment of the state of the financial markets and may also be terminated by them or BCE upon the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all the Series Y Preferred Shares if any Series Y Preferred Shares are purchased under the Underwriting Agreement.

The Series Y Preferred Shares offered hereby have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") and may not be offered or sold, directly or indirectly, in the United States.

In addition, until 40 days after the commencement of the offering, any offer or sale of the Series Y Preferred Shares offered hereby within the United States by any dealer, whether or not participating in the offering, may violate the registration requirements of the Securities Act.

The “United States” means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

Pursuant to policy statements of the Ontario Securities Commission and the Commission des valeurs mobilières du Québec, the Underwriters may not, throughout the period of distribution under this prospectus, bid for or purchase Series Y Preferred Shares. The foregoing restriction is subject to certain exceptions as long as the bid or purchase is not engaged in for the purpose of creating actual or apparent active trading in or raising the price of such securities. These exceptions include a bid or purchase permitted under the by-laws and rules of The Toronto Stock Exchange and the Montreal Exchange relating to market stabilization and passive market making activities and a bid or purchase made for and on behalf of a customer when the order was not solicited during the period of distribution. In connection with this offering and subject to the foregoing and to applicable law, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series Y Preferred Shares at levels other than those which might otherwise prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

DESCRIPTION OF SHARE CAPITAL

The articles of BCE provide that its authorized share capital shall be divided into an unlimited number of common shares (the “Common Shares”), an unlimited number of First Preferred Shares issuable in series, and an unlimited number of Second Preferred Shares issuable in series, all without nominal or par value.

Common Shares

Holders of Common Shares are entitled to one vote per share at all meetings of shareholders, except meetings at which only holders of other classes or series of shares of BCE are entitled to vote. Subject to the rights, privileges, restrictions and conditions attaching to any other class or series of shares of BCE, holders of Common Shares are entitled to receive such dividends payable in money, property, or by the issue of fully paid shares of BCE as may be declared by its directors, and they are also entitled to receive the remaining property of BCE upon liquidation, dissolution or winding-up. Holders of Common Shares have no pre-emptive, redemption or conversion rights. All outstanding Common Shares of BCE are fully- paid and non-assessable.

First Preferred Shares

The directors of BCE may from time to time issue First Preferred Shares in one or more series and determine for any such series its designation, number of shares and respective rights, privileges, restrictions and conditions. The First Preferred Shares rank in priority to all other shares of BCE with respect to the payment of dividends and with respect to the distribution of assets in the event of the liquidation, dissolution or winding-up of BCE. Each series of First Preferred Shares ranks in such respects on a parity with every other series of First Preferred Shares.

The holders of First Preferred Shares do not have the right to receive notice of, attend, or vote at any meeting of shareholders except to the extent otherwise provided in the articles of BCE with respect to any series of First Preferred Shares, or when the holders of First Preferred Shares are entitled to vote separately as a class or as a series as provided in the CBCA. In connection with any matter requiring the approval of the First Preferred Shares as a class, the holders of existing series of First Preferred Shares which are outstanding are entitled to one vote in respect of each First Preferred Share held. Holders of First Preferred Shares have no pre-emptive rights. All outstanding First Preferred Shares of BCE are fully-paid and non-assessable.

The provisions attaching to the First Preferred Shares may be repealed, altered, modified or amended with such approval as may then be required by the CBCA, currently being at least two-thirds of the votes cast at a meeting or adjourned meeting of the holders of such shares duly called for the purpose and at which a quorum is present.

The Prime Rate and Prime shall be determined from time to time by an officer of BCE from quotations supplied by the Banks or otherwise publicly available. Such determination shall, in the absence of manifest error, be final and binding upon BCE and upon all holders of Series Y Preferred Shares.

“Trading Day” means, if the Exchange is a stock exchange in Canada, a day on which the Exchange is open for trading or, in any other case, a business day.

Issue Price and Stated Value

The Series Y Preferred Shares will have an issue price and stated value of \$25.00 per share.

Dividends

Until December 1, 2002, the holders of the Series Y Preferred Shares will be entitled to receive fixed cumulative preferred cash dividends as and when declared by the board of directors of BCE, at an annual rate of 4.60% per share (\$1.15 per share per annum) to accrue from the date of issue and to be paid on the first day of March, June, September and December in each year. The initial dividend, if declared, will be payable on March 1, 1998, and assuming an issue date of December 18, 1998, will amount to \$0.23 per share.

From December 1, 2002, the holders of the Series Y Preferred Shares will be entitled to receive floating adjustable cumulative preferred cash dividends as and when declared by the board of directors of BCE, to accrue from December 1, 2002 and to be paid on the twelfth day of each month, commencing with the month of January 2003. The annual floating dividend rate for the first month will be equal to 80% of Prime. The dividend rate will float in relation to changes in Prime and will be adjusted upwards or downwards on a monthly basis by an adjustment factor (the “Adjustment Factor”) whenever the Calculated Trading Price of the Series Y Preferred Shares is \$24.875 or less or \$25.125 or more respectively. The maximum monthly adjustment for changes in the Calculated Trading Price will be $\pm 4.00\%$ of Prime. The annual floating dividend rate applicable for a month will in no event be less than 50% of Prime or greater than Prime.

The Adjustment Factor for a month will be based on the Calculated Trading Price of the Series Y Preferred Shares for the preceding month determined in accordance with the following table:

If the Calculated Trading Price for the Preceding Month is	The Adjustment Factor as a Percentage of Prime shall be
\$25.50 or more	-4.00%
\$25.375 and less than \$25.50	-3.00%
\$25.25 and less than \$25.375	-2.00%
\$25.125 and less than \$25.25	-1.00%
Greater than \$24.875 and less than \$25.125	nil
Greater than \$24.75 to \$24.875	1.00%
Greater than \$24.625 to \$24.75	2.00%
Greater than \$24.50 to \$24.625	3.00%
\$24.50 or less	4.00%

The maximum Adjustment Factor for any month will be $\pm 4.00\%$ of Prime.

If in any month there is no trade of at least a board lot of the Series Y Preferred Shares on the Exchange, the Adjustment Factor for the following month will be nil.

The annual floating dividend rate for a month will be calculated by BCE as promptly as practicable, and notice thereof will be given to each stock exchange on which the Series Y Preferred Shares are listed for trading.

The holders of Series Y Preferred Shares, who are also holders of Common Shares, may elect to reinvest all of the cash dividends payable to them on the Series Y Preferred Shares in Common Shares under BCE’s Dividend Reinvestment and Stock Purchase Plan.

Redemption

The Series Y Preferred Shares will not be redeemable prior to December 1, 2002. The Series Y Preferred Shares will be redeemable, at the option of BCE, subject to applicable law and to “Restrictions on Dividends and Retirement of Shares”, on December 1, 2002, in whole but not in part, at \$25.00 per share, plus an amount equal to all accrued and unpaid dividends up to but excluding the date of redemption. Subsequent to December 1, 2002, the Series Y Preferred Shares will be redeemable at the option of BCE, in whole but not in part, at \$25.50 per share, plus an amount equal to all accrued and unpaid dividends up to but excluding the date of redemption. Notice of the redemption will be given by BCE not less than 45 days nor more than 60 days prior to the date fixed for redemption.

Purchase for Cancellation

BCE may at any time or times purchase for cancellation all or any part of the Series Y Preferred Shares in the open market, by private agreement or otherwise at the lowest price or prices at which in the opinion of the board of directors of BCE such shares are obtainable.

Restrictions on Dividends and Retirement of Shares

BCE will not, without the approval of the holders of outstanding Series Y Preferred Shares:

- (a) declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of BCE ranking junior to the Series Y Preferred Shares) on the Common Shares or any other shares of BCE ranking junior to the Series Y Preferred Shares;
- (b) redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares or any other shares of BCE ranking junior to the Series Y Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of BCE ranking junior to the Series Y Preferred Shares);
- (c) purchase or otherwise retire less than all the Series Y Preferred Shares then outstanding; or
- (d) redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or mandatory redemption obligation attaching thereto) any other shares of BCE ranking on a parity with the Series Y Preferred Shares;

unless, in each such case, all dividends on outstanding Series Y Preferred Shares accrued up to and including the dividend payable on the last preceding payment date shall have been declared and paid. Any approval of the holders of the Series Y Preferred Shares required with respect to the foregoing may be given by the affirmative vote of the holders of the majority of the shares represented at a meeting, or adjourned meeting, of the holders of Series Y Preferred Shares duly called for the purpose and at which a quorum is present.

Rights on Liquidation

In the event of any liquidation, dissolution or winding-up of BCE, the holders of the Series Y Preferred Shares will be entitled to receive \$25.00 per Series Y Preferred Share plus an amount equal to all accrued and unpaid dividends up to but excluding the date of payment or distribution before any payment or distribution is made to the holders of the Common Shares or any other shares of BCE ranking junior to the Series Y Preferred Shares. Upon payment of such amounts, the holders of the Series Y Preferred Shares will not be entitled to share in any further distribution of assets of BCE.

Voting Rights

The holders of Series Y Preferred Shares will not be entitled (except as otherwise provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of BCE unless BCE shall have failed to pay eight dividends on the Series Y Preferred Shares, whether or not consecutive. In that event, and for only so long as any such dividends remain in arrears, the holders of Series Y Preferred Shares will be entitled to receive notice of and to attend all shareholders' meetings, and to one vote for each share held, except meetings at which only holders of another specified class or series are entitled to vote.

In connection with any action to be taken by BCE which requires the approval of the holders of Series Y Preferred Shares voting as a series or as part of the class, each such share shall entitle the holder thereof to one vote.

Tax Election

BCE will elect, in the manner and within the time provided under Part VI.1 of the *Income Tax Act* (Canada), to pay tax at a rate such that holders of Series Y Preferred Shares will not be required to pay tax on dividends received on the Series Y Preferred Shares under Part IV.1 of such Act.

Modification

The provisions attaching to the Series Y Preferred Shares as a series may be repealed, altered, modified or amended with such approvals as may then be required by the CBCA, currently being at least two-thirds of the votes cast at a meeting or adjourned meeting of the holders of Series Y Preferred Shares duly called for the purpose and at which a quorum is present.

Conversion of Series Y Preferred Shares into Series Z Preferred Shares

Holders of Series Y Preferred Shares shall have the right, at their option, on December 1, 2002 and on December 1 every five years thereafter (a "Conversion Date"), to convert, subject to the terms and conditions attaching to such shares, all or any Series Y Preferred Shares registered in their name into Series Z Preferred Shares of BCE on the basis of one Series Z Preferred Share for each Series Y Preferred Share. The conversion of Series Y Preferred Shares may be effected by surrender of the certificate(s) representing the same not earlier than 45 days prior to the Conversion Date but not later than the close of business on the 14th day preceding the Conversion Date at any office of any transfer agent of BCE at which the Series Y Preferred Shares are transferable accompanied by payment or evidence of payment of the tax (if any) payable, as provided in the terms and conditions attaching to the Series Y Preferred Shares, and a written instrument of surrender in form satisfactory to BCE duly executed by the holder or his attorney authorized in writing.

BCE shall, not less than 45 days nor more than 60 days prior to the applicable Conversion Date, give notice in writing to the then holders of the Series Y Preferred Shares of the above-mentioned conversion right and of the Selected Percentage Rate (as defined below under "Details of the Series Z Preferred Shares") determined by the board of directors of BCE to be applicable for the next succeeding Fixed Dividend Rate Period (as defined below under "Details of the Series Z Preferred Shares") applicable to the Series Z Preferred Shares. BCE shall give notice as provided under "Details of the Series Z Preferred Shares" of the Annual Dividend Rate (as defined below under "Details of the Series Z Preferred Shares") applicable to the Series Z Preferred Shares for such Fixed Dividend Rate Period.

Holders of Series Y Preferred Shares shall not be entitled to convert their shares into Series Z Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, BCE determines that there would remain outstanding on a Conversion Date less than 1,000,000 Series Z Preferred Shares, after having taken into account all Series Y Preferred Shares tendered for conversion into Series Z Preferred Shares and all Series Z Preferred Shares tendered for conversion into Series Y Preferred Shares. BCE shall give notice in writing thereof to all the holders of the Series Y Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue, prior to such Conversion Date, to the holders of Series Y Preferred Shares who have tendered Series Y Preferred Shares for conversion, new certificates evidencing the Series Y Preferred Shares tendered for conversion. Furthermore, if following the close of business on the 14th day preceding a Conversion Date BCE determines that there would remain outstanding on a Conversion Date less than 1,000,000 Series Y Preferred Shares after having taken into account all Series Y Preferred Shares tendered for conversion into Series Z Preferred Shares and all Series Z Preferred Shares tendered for conversion into Series Y Preferred Shares, then, all, but not part, of the remaining outstanding Series Y Preferred Shares shall automatically be converted into Series Z Preferred Shares on the basis of one Series Z Preferred Share for each Series Y Preferred Share on the applicable Conversion Date and BCE shall give notice in writing thereof to the holders of such remaining Series Y Preferred Shares at least seven (7) days prior to the Conversion Date.

If BCE gives notice to the holders of the Series Y Preferred Shares of the redemption of all the Series Y Preferred Shares, BCE shall not be required to give notice as provided hereunder to the holders of the Series Y Preferred Shares of a Selected Percentage Rate for the Series Z Preferred Shares or of the conversion right of holders of Series Y Preferred Shares and the right of any holder of Series Y Preferred Shares to convert such Series Y Preferred Shares shall cease and terminate in that event.

Details of the Series Z Preferred Shares

On December 3, 1997, BCE authorized the issue of 10,000,000 Series Z Preferred Shares issuable upon conversion of the Series Y Preferred Shares. The Series Z Preferred Shares will have attached thereto the series provisions summarized below. BCE will furnish upon request a copy of the text of the provisions attaching to the Series Z Preferred Shares.

Definition of Terms

The following definitions are relevant to the Series Z Preferred Shares.

“Annual Dividend Rate” means for any Fixed Dividend Rate Period the rate of interest expressed as a percentage per annum (rounded to the nearest one-thousandth of one percent (0.001%)) which is equal to the Government of Canada Yield multiplied by the Selected Percentage Rate for such Fixed Dividend Rate Period.

“Fixed Dividend Rate Period” means for the initial Fixed Dividend Rate Period, the period commencing on December 1, 2002 and ending on and including November 30, 2007, and for each succeeding Fixed Dividend Rate Period, the period commencing on the day immediately following the end of the immediately preceding Fixed Dividend Rate Period and ending on and including November 30 in the fifth year immediately thereafter.

“Government of Canada Yield” on any date shall mean the average of the yields determined by two registered Canadian investment dealers, selected by the board of directors of BCE, as being the yield to maturity on such date compounded semi-annually and calculated in accordance with generally accepted financial practice, which a non-callable Government of Canada Bond would carry if issued in Canadian dollars in Canada at 100% of its principal amount on such date with a term to maturity of five years.

“Selected Percentage Rate” for each Fixed Dividend Rate Period means the rate of interest, expressed as a percentage of the Government of Canada Yield, determined by the board of directors of BCE as set forth in the notice to the holders of the Series Z Preferred Shares, given in accordance with the terms and conditions attaching to the Series Z Preferred Shares, which rate of interest shall be not less than 80% of the Government of Canada Yield.

Issue Price and Stated Value

The Series Z Preferred Shares will have an issue price and stated value of \$25.00 per share.

Dividends

The holders of the Series Z Preferred Shares will be entitled to receive fixed cumulative preferred cash dividends as and when declared by the board of directors of BCE, in the amount per share per annum determined by multiplying the Annual Dividend Rate by \$25.00, to accrue from the date of issue and payable quarterly in respect of each 12 month period on the first day of March, June, September and December.

The board of directors of BCE will, not less than 45 days nor more than 60 days prior to each Conversion Date (as defined below) determine the Selected Percentage Rate to be applicable to the following Fixed Dividend Rate Period and BCE shall give notice in writing thereof to the then holders of the Series Z Preferred Shares.

The Annual Dividend Rate for each Fixed Dividend Rate Period will be calculated by BCE on the 21st day prior to the first day of each Fixed Dividend Rate Period based upon the Selected Percentage Rate determined with respect to the relevant Fixed Dividend Rate Period and the Government of Canada Yield in effect at 10:00 A.M. (Montréal time) on the said 21st day prior to the first day of the relevant Fixed Dividend Rate Period. Notice of each Annual Dividend Rate shall be provided by BCE within one business day following its determination to all stock exchanges in Canada on which the Series Z Preferred Shares are listed for trading, and within three business days following its determination by publication once in the national edition of the Globe and Mail in the English language and once in the City of Montréal in both the French and English languages in a daily newspaper of general circulation in Montréal.

The holders of Series Z Preferred Shares, who are also holders of Common Shares, may elect to reinvest all of the cash dividends payable to them on the Series Z Preferred Shares in Common Shares under BCE’s Dividend Reinvestment and Stock Purchase Plan.

Redemption

The Series Z Preferred Shares will not be redeemable prior to December 1, 2007. The Series Z Preferred Shares will be redeemable, subject to applicable law and to “Restrictions on Dividends and Retirement of Shares”, on December 1, 2007 or on December 1 every five years thereafter, at the option of BCE, in whole but not in part, at \$25.00 per share, plus an amount

equal to all accrued and unpaid dividends up to but excluding the date of redemption. Notice of the redemption will be given by BCE not less than 45 days nor more than 60 days prior to the date fixed for redemption.

Conversion of Series Z Preferred Shares into Series Y Preferred Shares

Holders of Series Z Preferred Shares shall have the right, at their option, on December 1, 2007 and on December 1 every five years thereafter (a "Conversion Date"), to convert, subject to the terms and conditions attaching to such shares, all or any Series Z Preferred Shares registered in their name into Series Y Preferred Shares of BCE on the basis of one Series Y Preferred Share for each Series Z Preferred Share. The conversion of Series Z Preferred Shares may be effected by surrender of the certificate(s) representing the same not earlier than 45 days prior to the Conversion Date but not later than the close of business on the 14th day preceding the Conversion Date at any office of any transfer agent of BCE at which the Series Z Preferred Shares are transferable accompanied by payment or evidence of payment of the tax (if any) payable, as provided in the terms and conditions attaching to the Series Z Preferred Shares, and a written instrument of surrender in form satisfactory to BCE duly executed by the holder or his attorney authorized in writing.

BCE shall, not less than 45 days nor more than 60 days prior to the applicable Conversion Date, give notice in writing to the then holders of the Series Z Preferred Shares of the above-mentioned conversion right and of the Selected Percentage Rate determined by the board of directors of BCE to be applicable for the next succeeding Fixed Dividend Rate Period.

Holders of Series Z Preferred Shares shall not be entitled to convert their shares into Series Y Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, BCE determines that there would remain outstanding on a Conversion Date less than 1,000,000 Series Y Preferred Shares, after having taken into account all Series Z Preferred Shares tendered for conversion into Series Y Preferred Shares and all Series Y Preferred Shares tendered for conversion into Series Z Preferred Shares. BCE shall give notice in writing thereof to all the holders of the Series Z Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue, prior to such Conversion Date, to the holders of Series Z Preferred Shares who have tendered Series Z Preferred Shares for conversion, new certificates evidencing the Series Z preferred Shares tendered for conversion. Furthermore, if following the close of business on the 14th day preceding a Conversion Date BCE determines that there would remain outstanding on a Conversion Date less than 1,000,000 Series Z Preferred Shares after having taken into account all Series Z Preferred Shares tendered for conversion into Series Y Preferred Shares and all Series Y Preferred Shares tendered for conversion into Series Z Preferred Shares, then, all, but not part, of the remaining outstanding Series Z Preferred Shares shall automatically be converted into Series Y Preferred Shares on the basis of one Series Y Preferred Share for each Series Z Preferred Share on the applicable Conversion Date and BCE shall give notice in writing thereof to the holders of such remaining Series Z Preferred Shares at least seven (7) days prior to the Conversion Date.

If BCE gives notice to the holders of the Series Z Preferred Shares of the redemption on a Conversion Date of all the Series Z Preferred Shares, BCE shall not be required to give notice as provided hereunder to the holders of the Series Z Preferred Shares of a Selected Percentage Rate or of the conversion right of holders of Series Z Preferred Shares and the right of any holder of Series Z Preferred Shares to convert such Series Z Preferred Shares shall cease and terminate in that event.

Purchase for Cancellation

BCE may at any time or times purchase for cancellation all or any part of the Series Z Preferred Shares in the open market, by private agreement or otherwise at the lowest price or prices at which in the opinion of the board of directors of BCE such shares are obtainable.

Restrictions on Dividends and Retirement of Shares

BCE will not, without the approval of the holders of outstanding Series Z Preferred Shares:

- (a) declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of BCE ranking junior to the Series Z Preferred Shares) on the Common Shares or any other shares of BCE ranking junior to the Series Z Preferred Shares;
- (b) redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares or any other shares of BCE ranking junior to the Series Z Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of BCE ranking junior to the Series Z Preferred Shares);
- (c) purchase or otherwise retire less than all the Series Z Preferred Shares then outstanding; or

- (d) redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or mandatory redemption obligation attaching thereto) any other shares of BCE ranking on a parity with the Series Z Preferred Shares;

unless, in each such case, all dividends on outstanding Series Z Preferred Shares accrued up to and including the dividend payable on the last preceding payment date shall have been declared and paid. Any approval of the holders of the Series Z Preferred Shares required with respect to the foregoing may be given by the affirmative vote of the holders of the majority of the shares represented at a meeting, or adjourned meeting, of the holders of Series Z Preferred Shares duly called for the purpose and at which a quorum is present.

Rights on Liquidation

In the event of any liquidation, dissolution or winding-up of BCE, the holders of the Series Z Preferred Shares will be entitled to receive \$25.00 per Series Z Preferred Share plus an amount equal to all accrued and unpaid dividends up to but excluding the date of payment or distribution before any payment or distribution is made to the holders of the Common Shares or any other shares of BCE ranking junior to the Series Z Preferred Shares. Upon payment of such amounts, the holders of the Series Z Preferred Shares will not be entitled to share in any further distribution of assets of BCE.

Voting Rights

The holders of Series Z Preferred Shares will not be entitled (except as otherwise provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of BCE unless BCE shall have failed to pay eight dividends on the Series Z Preferred Shares, whether or not consecutive. In that event, and for only so long as any such dividends remain in arrears, the holders of Series Z Preferred Shares will be entitled to receive notice of and to attend all shareholders' meetings, and to one vote for each share held, except meetings at which only holders of another specified class or series are entitled to vote.

In connection with any action to be taken by BCE which requires the approval of the holders of Series Z Preferred Shares voting as a series or as part of the class, each such share shall entitle the holder thereof to one vote.

Tax Election

BCE will elect, in the manner and within the time provided under Part VI.1 of the *Income Tax Act* (Canada), to pay tax at a rate such that holders of Series Z Preferred Shares will not be required to pay tax on dividends received on the Series Z Preferred Shares under Part IV.1 of such Act.

Modification

The provisions attaching to the Series Z Preferred Shares as a series may be repealed, altered, modified or amended with such approvals as may then be required by the CBCA, currently being at least two-thirds of the votes cast at a meeting or adjourned meeting of the holders of Series Z Preferred Shares duly called for the purpose and at which a quorum is present.

RATINGS

The Series Y Preferred Shares are rated P-1 by CBRS Inc. ("CBRS"), the highest of the five standard categories used by CBRS for preferred shares. The Series Y Preferred Shares are rated Pfd-2 by Dominion Bond Rating Service Limited ("DBRS"), the second highest of the five standard categories used by DBRS for preferred shares.

Neither of the foregoing ratings should be construed as a recommendation to buy, sell or hold securities. Either of the foregoing ratings may be revised or withdrawn at any time by the respective rating organization.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Messrs. Josef J. Fridman and Marc J. Ryan, Senior Vice-President, Law and Corporate Secretary, and General Counsel, respectively of BCE Inc., and of Ogilvy Renault, a general partnership, at the time of issue, the following is a general summary of the principal Canadian federal income tax considerations generally applicable to a prospective purchaser who, within the meaning of the *Income Tax Act* (Canada) (the “Act”), is resident in Canada, will hold Series Y Preferred Shares or Series Z Preferred Shares, as the case may be, as capital property and deals at arm’s length with BCE. Series Y Preferred Shares and Series Z Preferred Shares acquired by “financial institutions” (as defined in section 142.2 of the Act), including “restricted financial institutions” (as defined in the Act), registered or licensed investment dealers, or corporations controlled by one or more of the foregoing, will be subject to special “mark-to-market” rules and such entities generally will be precluded from holding Series Y Preferred Shares and Series Z Preferred Shares as capital property.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular investor. Accordingly, prospective purchasers are urged to consult their own tax advisors with respect to their particular circumstances.

This summary is based upon the current provisions of the Act, the regulations thereunder, all specific proposals to amend the Act and the regulations publicly announced by the Minister of Finance prior to the date hereof and the administrative practices published by Revenue Canada. This summary does not otherwise take into account any changes in law, whether by legislative, governmental or judicial decision or action, nor does it take into account or consider any provincial, territorial or foreign income tax considerations.

Taxation of Dividends

Dividends (including deemed dividends) received on the Series Y Preferred Shares and Series Z Preferred Shares by an individual will be included in the individual’s income and will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations.

Dividends (including deemed dividends) received on the Series Y Preferred Shares and Series Z Preferred Shares by a corporation other than a “specified financial institution”, as defined in the Act, will be included in computing the corporation’s income and will generally be deductible in computing the taxable income of the corporation.

Dividends (including deemed dividends) received on the Series Y Preferred Shares and Series Z Preferred Shares by a corporation that is a “specified financial institution”, within the meaning of the Act, will be included in computing the corporation’s income and will generally be deductible in computing the corporation’s taxable income, provided the Series Y Preferred Shares and Series Z Preferred Shares are not “term preferred shares” within the meaning of the Act at the time the dividend is paid. A share may be considered a term preferred share if, as a consequence of its terms or conditions, the issuing corporation or any person related thereto or any partnership or trust of which the issuing corporation or a person related thereto is a member or beneficiary “may reasonably be expected at any time to redeem, acquire or cancel, in whole or in part, the share or reduce its paid-up capital”. ScotiaMcLeod Inc. has delivered its opinion of even date herewith that the terms and conditions of the Series Y Preferred Shares and Series Z Preferred Shares are not such that, as a consequence of such terms and conditions, BCE or a person related thereto or any partnership or trust of which BCE or a person related thereto is a member or beneficiary may reasonably be expected at any time to redeem, acquire or cancel, in whole or in part, any of the Series Y Preferred Shares and Series Z Preferred Shares or to reduce their paid-up capital. Based and relying, in part, on such opinion, the Series Y Preferred Shares and Series Z Preferred Shares will not be, in the opinion of counsel, term preferred shares.

A private corporation, as defined in the Act, or any other corporation controlled by or for the benefit of an individual or a related group of individuals, will generally be liable to pay a 33 % refundable tax under Part IV of the Act on dividends received (or deemed to be received) on the Series Y Preferred Shares and Series Z Preferred Shares to the extent such dividends are deductible in computing its taxable income.

The Series Y Preferred Shares and Series Z Preferred Shares are “taxable preferred shares” as defined in the Act. The terms of the Series Y Preferred Shares and Series Z Preferred Shares require BCE to make the necessary election under Part VI.1 of the Act so that corporate shareholders will not be subject to tax under Part IV.1 of the Act on dividends paid (or deemed to be paid) by BCE on the Series Y Preferred Shares and Series Z Preferred Shares. Consequently, provided that such election is made, dividends on the Series Y Preferred Shares and Series Z Preferred Shares received (or deemed to be received) by corporations, including “specified financial institutions”, will not be subject to the 10% tax payable under Part IV.1 of the Act.

Dispositions of Series Y Preferred Shares and Series Z Preferred Shares

A holder who disposes of or is deemed to dispose of Series Y Preferred Shares and/or Series Z Preferred Shares will generally realize a capital gain (or sustain a capital loss) to the extent that the holder's proceeds of disposition, net of any costs of disposition, exceed (or are less than) the adjusted cost base of such shares to the holder. If the holder is a corporation, any capital loss may in certain circumstances be reduced by the amount of certain dividends, including certain deemed dividends, which have been received on the Series Y Preferred Shares and/or Series Z Preferred Shares. Analogous rules apply to a partnership or trust of which a corporation is a member or beneficiary.

Redemption of Series Y Preferred Shares and Series Z Preferred Shares

If BCE redeems Series Y Preferred Shares and/or Series Z Preferred Shares, or otherwise acquires or cancels Series Y Preferred Shares and/or Series Z Preferred Shares (other than by a purchase in the open market in the manner in which shares are normally purchased by any member of the public in the open market), the holder will be deemed to have received a dividend equal to the amount, if any, paid by BCE in excess of the paid-up capital of such shares at such time as computed for purposes of the Act. The amount of any such deemed dividend will generally not be included in computing the holder's proceeds of disposition for purposes of computing the capital gain or loss arising on disposition of such Series Y Preferred Shares and/or Series Z Preferred Shares. In the case of a corporate holder, it is possible that in certain circumstances all or part of any such deemed dividend may be treated as proceeds of disposition and not as a dividend.

Conversion of Series Y Preferred Shares and Series Z Preferred Shares

The conversion of the Series Y Preferred Shares into Series Z Preferred Shares and of the Series Z Preferred Shares into Series Y Preferred Shares will not constitute a disposition thereof and the cost to the holder of the Series Z Preferred Shares or Series Y Preferred Shares, as the case may be, acquired on the conversion will be the adjusted cost base to the holder of the converted Series Y Preferred Shares or Series Z Preferred Shares, as the case may be, immediately before the conversion.

TRANSFER AGENT AND REGISTRAR

The transfer agent and registrar for the Series Y Preferred Shares offered hereunder is Montreal Trust Company at its principal offices in Halifax, Montreal, Toronto, Winnipeg, Calgary, and Vancouver.

STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in several of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities within two business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces, securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, damages where the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that such remedies for rescission or damages must be exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of these rights or consult with a legal adviser.
